ORDER:

In the reference 1st read above, orders were issued among other things, authorizing the Collector, Chittoor to incur an expenditure of Rs.100.00 crores to meet the expenditure towards acquisition of lands and shifting of public utilities for expansion of Tirupathi airport.

2. In the references 4th & 5th read above, the CMD, APTRANSCO has informed that the Airport Authority of India (AAI) requested APTransco for diversion of the overhead HT/LT lines for proposed runway extension towards the western side of the runway area at Tirupati airport, Renigunta and hence the following EHT Lines were proposed preliminarily for shifting.

i. **220 KV Renigunta - G.D. Nellore DC line**: - Erection of 6 Nos. Towers for re-route from Loc No. 12 for a length of 1.5 Km Overhead line and laying of 1.7 CKm of 220 KV XLPE double circuit copper cable and dismantling of existing line from Loc.No. 6 to 11,

ii. **132 KV Renigunta - Puttur DC line: -** Erection of 1 No. S-type Tower and laying of 1.8 CKm of 132KV XLPE double circuit copper cable and dismantling of existing line from Loc. No. 6 to 15,

iii. **132 KV Renigunta - Chittoor SC line: -** Erection of 132 KV Multi circuit line for 13 Km and laying of 0.15 CKm of 132KV XLPE double circuit copper cable and dismantling of existing line from Loc.No. 205 to 216 and

iv. **132 KV Renigunta - Chandragiri DC line:** - Erection of 132 KV Multi circuit line for 13 Km and laying of 1.8 CKm of 132KV XLPE double circuit copper cable and dismantling of existing line from Loc.No. 2 to 15.

3. He has also informed that neither the cost of the re-routing of the 220 KV / 132 KV lines for the Tirupathi Airport expansion, Renigunta was contemplated nor the cost of the scheme was intimated as Rs.10.00 crores. An estimate was prepared for an amount of Rs.61.23 Cr based on the SSR 2011-12 and accorded an administrative approval by APTransco for an amount of Rs.61.23Cr for diversion of above lines and informed that the rates / taxes / duties were to be enhanced in the union budget w.e.f. 17.03.2013 from 10.3% to 12.36% for service tax (including educational cess) and ED whereas A.P VAT and WCT increased from 4% to 5%, and also any difference of amount as per actual will be intimated separately during the execution of work.

4. Later, the A.P.Transco has conducted a detailed survey and observed that there was no need for diversion of one line out of four lines i.e 132KV Chandragiri - Renigunta DC Line. It was concluded to take up the other three diversion line works by laying EHT cables to minimize severe ROW problems in the vicinity of airport. Based on the latest SSRs and SoRs with GST as on 30-04-2018, revised detailed technical sanctions for work (i), (ii) & (iii) were accorded by APTRANSCO for an amount of Rs.90.22 Cr for the said works and requested to release the same at the earliest.
